

Quilt Care

INSTRUCTIONS

Machine Wash

alone in cold water on a gentle or delicate cycle. Use a mild, low-sudsing detergent, and avoid bleach or harsh chemicals. Use a color catcher to avoid dyes from bleeding onto other fabrics.

Tumble Dry

on low or no heat. Remove promptly from the dryer. Option: Lay out on clean sheet away from sunlight to air dry.

Maintain

by folding diagonally or rolling. Store away from direct sunlight. Do not store in plastic bags or cedar chests.
